# Halloween Drehscheibe

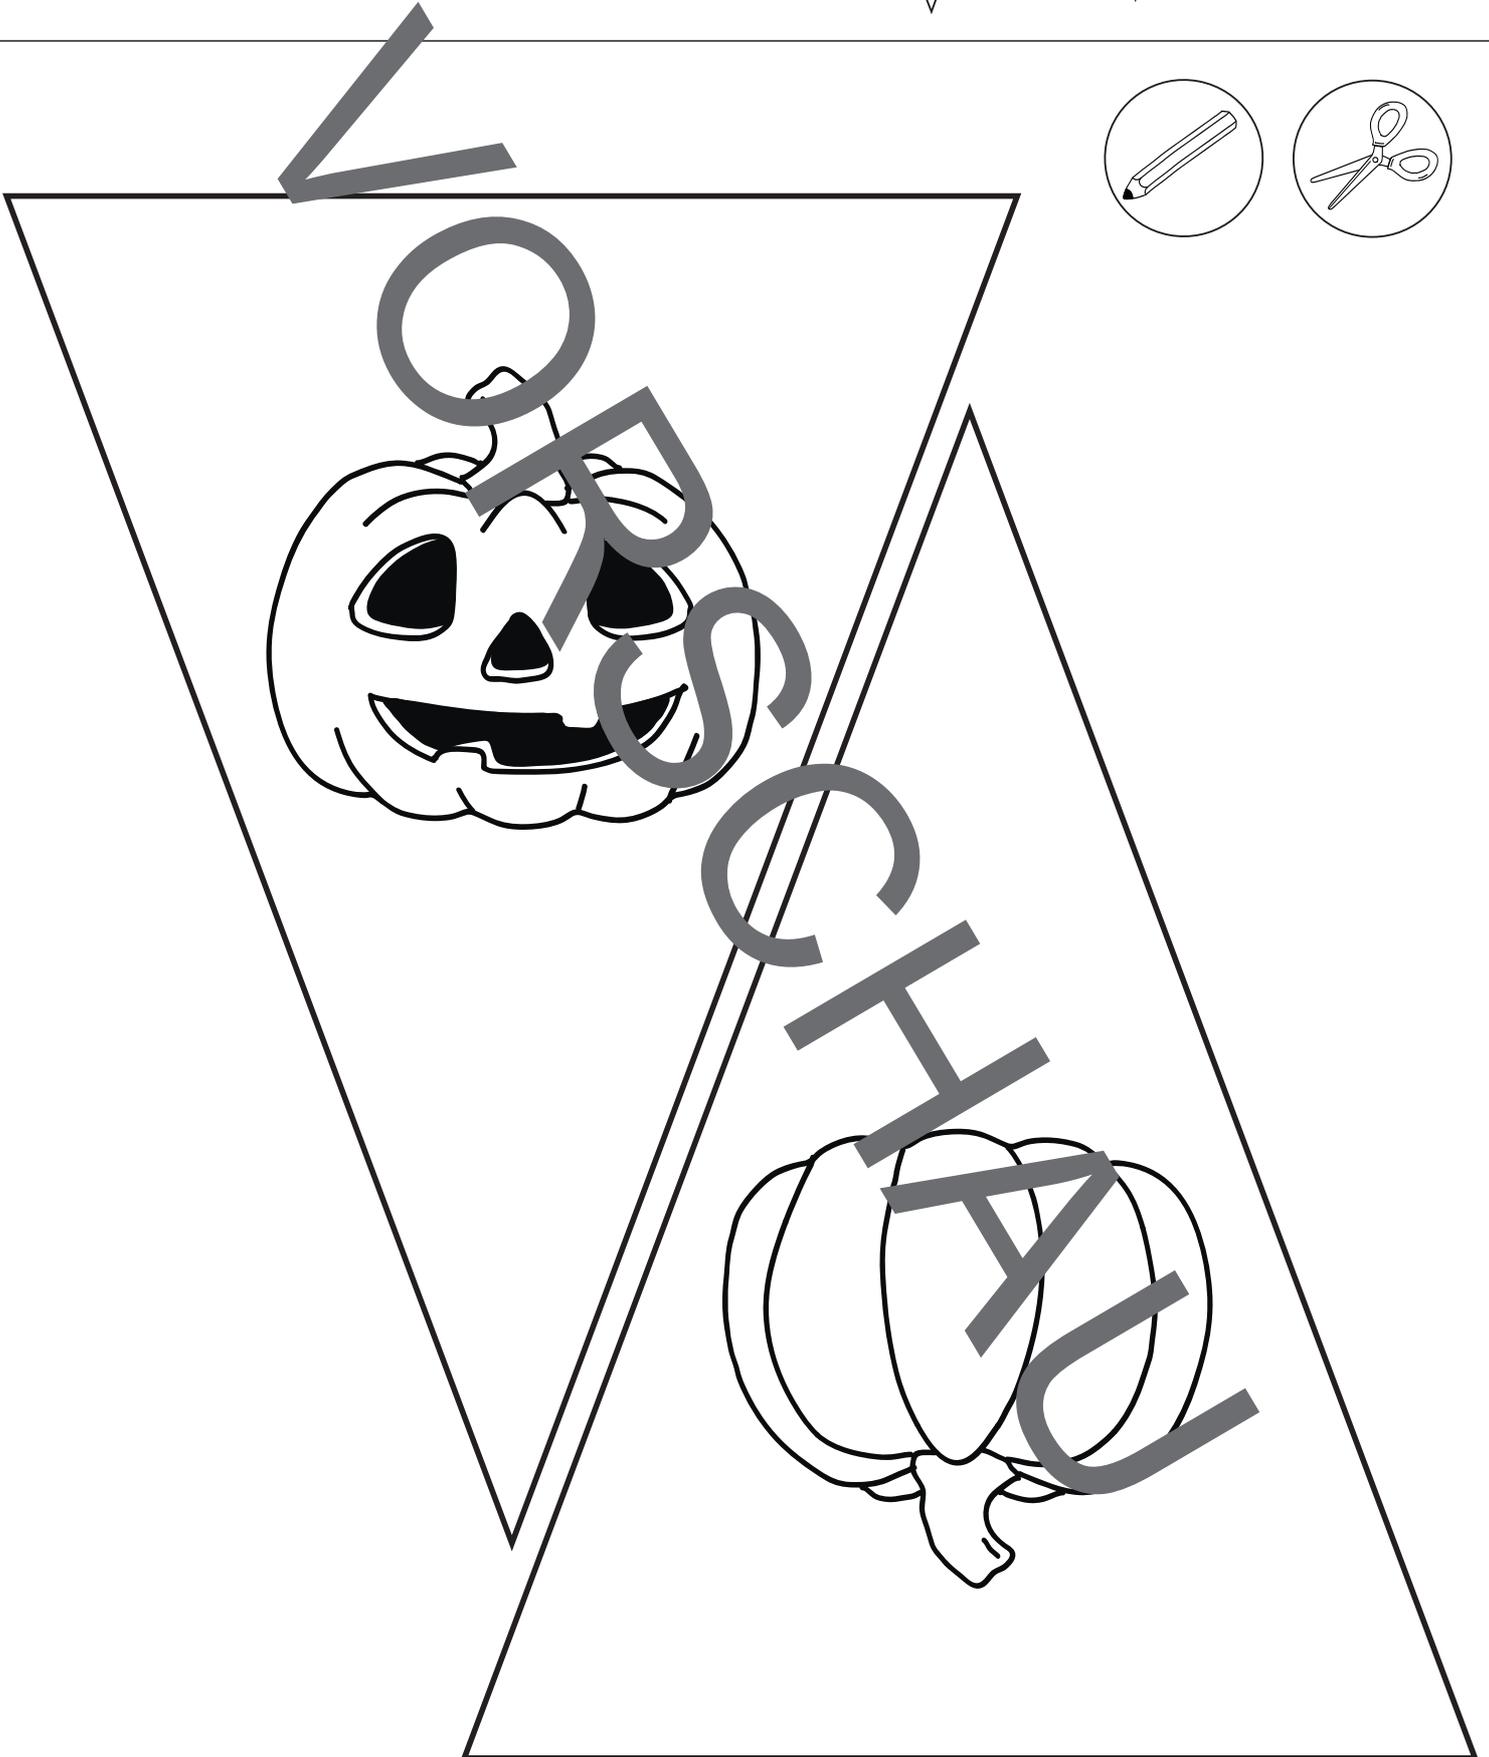

Male den Kürbis an und schneide beide Kreise aus.  
Klebe die Kreise an der Markierung aufeinander.  
Loche an den Seiten und befestige jeweils  
ein Gummiband oder eine Kordel.

Drehe die Scheibe an den Bändern  
ganz schnell, so bekommt der Kürbis ein Gesicht.

# Halloween - Girlande basteln

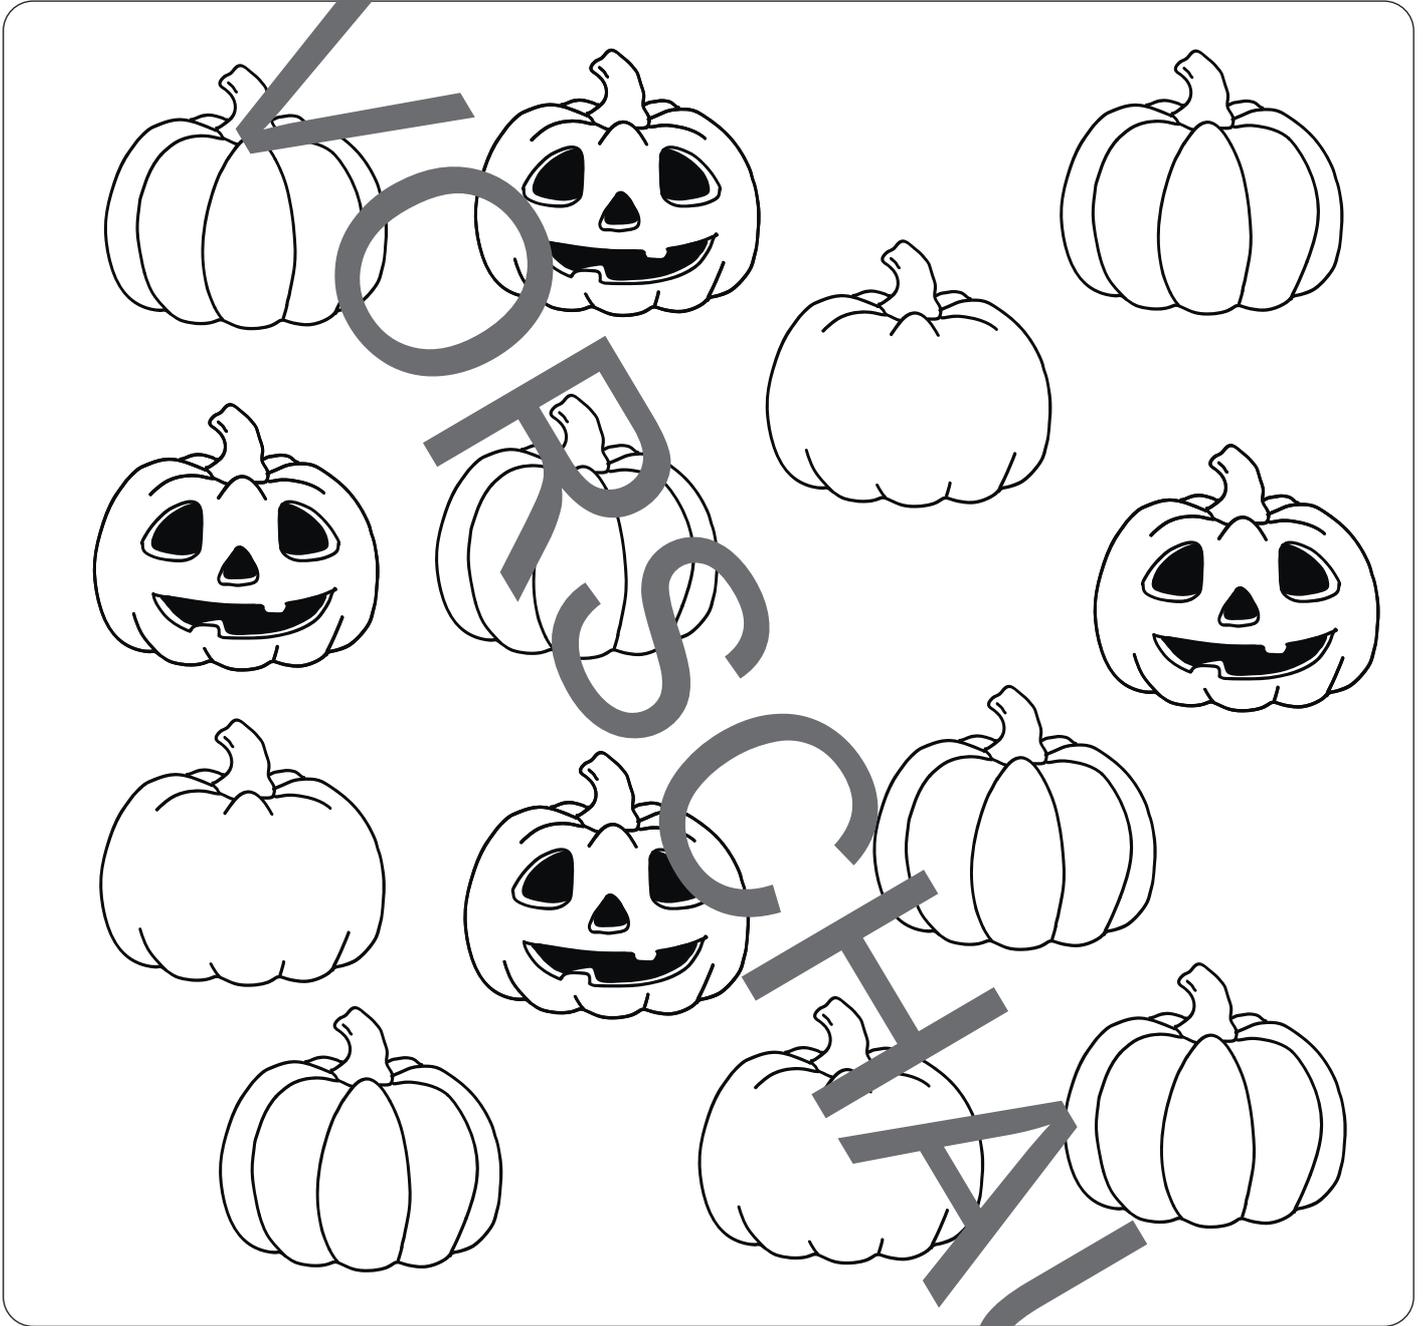

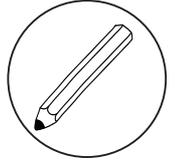

Girlandenteile ausmalen,  
ausschneiden und aneinander  
mit einer Schnur befestigen.
